

Information Sharing Session on the Mekong–Republic of Korea Cooperation Fund (MKCF)

The Mekong Institute will organize an Information Sharing Session to introduce the Mekong–Republic of Korea Cooperation Fund (MKCF) program and provide guidance on the project application process for the 10th Call for Proposals. This session aims to familiarize prospective applicants with the MKCF program objectives, priority sectors, eligibility requirements, and key steps in preparing and submitting project EoI.

→ Session Content

- Overview of the MKCF program and its objectives
- Priority sectors and thematic areas
- Eligibility criteria for applicants
- Project design and proposal preparation
- Questions and answers with the MKCF team

→ Who Should Attend

Representatives from relevant:

- Government agencies
- Academic and research institutions
- Non-government organizations
- Regional and international organizations
- Other stakeholders interested in Mekong regional cooperation and development

Event Venue, Date, and Time

The workshop will be conducted in a hybrid format (in-person and online participation for in-country participants). All times are in local time. Please kindly note that participants are responsible for their own travel and related expenses.
